WELCOME TO SACRED HEART COLLEGE

Our commitment at Sacred Heart College stems from the privilege of our responsibility. Making boys into courageous Marist Men is a statement we take seriously. Our purpose for existing is to turn these words into reality for parents who seek something different from secular society's values and norms. Our commitment is authentic as we strive to make young men of authenticity – authentic in faith, character and aspiration.

Two hundred years ago, Marcellin Champagnat, a visionary young French Priest, was captured with courageous spirit to inspire a community of humble people with servant hearts. This example of humble service through the Marist Brothers is the cornerstone of our school values and ethos.

The Sacred Heart graduate will be counter-cultural against society's norms. He will stare challenges in the face with resilience and excitement. His character and faith journey will give the necessary courage to be a man of depth and compassion, resolve and simplicity of spirit, excellence and humility – the type of well-rounded man who will make a difference with their difference.

From the beginning of Year 7 your sons will be enculturated into the expectations of 'confortare' – to be a Marist Man of courage:

- Courage to seek an authentic faith
- Courage to aspire for personal academic excellence
- Courage to advocate for the vulnerable
- Courage to belong through full representation in extracurricular life

For boys, community is oxygen and your sons will find at Sacred Heart that community is cherished – the strength of it, the wholeness of it, and the blessings that comes with it.

In the Heart of St Marcellin

Founded in 1903, Sacred Heart College is one of New Zealand's leading Catholic boys' schools offering an all-round education from Years 7-13. The College is a day and boarding school with 117 years of Marist tradition that upholds the values of its founder St Marcellin Champagnat. The College has a roll of 1300 students, who come from diverse economic, geographic and ethnic backgrounds. This includes 75 International Students. Old Boys of Sacred Heart are numbered among New Zealand's top musicians, academics, artists, sportsmen, as well as religious and civil leaders. These include Sir Anand Satyanand - former Governor-General of New Zealand, Sean Fitzpatrick - former All Black Captain, and Dan Davin - author and Rhodes Scholar.

We have information flyers translated into a number of different languages: Chinese, French, German, Japanese, Korean, Spanish, Thai, and Vietnamese. Please go to our website to download. For further information, please contact Mr. Ting Xu – Director of International Students on +64 9 5293660 or email txu@sacredheart.school.nz

Location

Located on a magnificent site of 22 hectares of park-like grounds, Sacred Heart College is 12kms and approximately 15-20 minutes' drive from the centre of New Zealand's biggest city, Auckland. The College is accessible by public transport, including train service with bus stops located outside the College gates. We have access to the Glen Innes shopping centre (about a 20-minute stroll) and St Heliers Bay village (30 minutes by walk), where our students can find medical clinics, pharmacies, banks, supermarkets, food-shops, cafés, restaurants, fast food chains and a variety of specialty shops.

Code of Practice for the Pastoral Care of International Students and DRS

Sacred Heart College is a signatory and has agreed to observe and be bound by the Education (Pastoral Care of International Students) Code of Practice 2016 published by the NZQA – New Zealand Qualifications Authority. Copies of the Code are available from the New Zealand Qualifications Authority website <https://www.nzqa.govt.nz/providers-partners/education-code-of-practice/>.

DRS is the new International Student Contract Dispute Resolution Scheme. It provides a free, faster and more effective process for International Students to resolve contractual and financial disputes with education providers. FairWay has been appointed by the Minister for Tertiary Education, Skills and Employment for administering the Dispute Resolution Scheme. Please go to <http://www.istudent.org.nz/> to find out about the complaints process. You can read the International Student Contract Dispute Resolution Scheme (DRS) on the Legislation website: <http://www.legislation.govt.nz/regulation/public/2016/0042/latest/DLM6748715.html?src=qs>.

Sacred Heart College Quality Assurance Results

The Education Review Office (ERO) is the New Zealand government department that evaluates and reports on the education and care of students in schools. The Chief Review Officer formally designates individual review officers to carry out reviews in schools in accordance with the Education Act 1989. This Act gives the Chief Review Officer the power to initiate reviews, investigate, report and to publish findings on the provision of education to all young New Zealanders and International Students. The ERO generally carries out reviews every three years. However, at the three past reviews of Sacred Heart College (2009, 2014, and 2018), it advised that it would not be returning for four to five years. This is a high endorsement of the College's performance. A copy of 2018 ERO report on the College is available on our website, also on <https://www.ero.govt.nz/review-reports/sacred-heart-college-auckland-15-11-2018/>.

The latest findings on the College's provision for International Students are:

"The school is a signatory to the Education (Pastoral Care of International Students) Code of Practice 2016 (the Code) established under section 238F of the Education Act 1989. The school has attested that it complies with all aspects of the Code. At the time of this review there were 83 international students attending the school. Robust monitoring systems and internal evaluation processes ensure that the school continues to meet its obligations under the Code.

An experienced team of staff in the school's international student department provides high quality support for international students' education and wellbeing. Learning programmes, including those for English language learning, are tailored to students' individual needs. International students achieve very well in their studies for NCEA and participate widely across all aspects of school life."

Outstanding Facilities and Education

Sacred Heart College is equipped with impressive facilities which include nine sports fields, six teaching buildings, a state of the art technology block, three swimming pools of which 2 are heated, a large gymnasium, modern computer laboratories, a comprehensive library, a 1500-seat auditorium which enables the whole school to gather together as one for assemblies, concerts, productions and prize-givings. A new Performing Art Centre is also available for the school to use for its music, drama and performing arts programmes. More information on the College's facilities is available on our website <https://sacredheart.school.nz/facilities/>.

Since its founding, Sacred Heart College has built an outstanding tradition of success in academic, sport, art and cultural activities.

- NCEA Levels 1, 2 and 3 pass rates are consistently among the highest nationally for boys' schools;
- University Entry rates consistently around 80%;
- Many students gain NCEA scholarships each year in their chosen subjects;
- A strong pastoral care system in the school, therefore our students are well looked after;
- Our students achieve great results in sport, cultural activities and music.

Academic Pathways and NCEA Exams

At Sacred Heart College, Years 9 & 10 curriculum has a greater reliance on individually based learning, with separate teachers in the core as well as specialist subjects. All students have the opportunity to study an international language such as Spanish or Chinese if they wish. In Year 10 all students follow a common course of core subjects, as well as choosing three options from a range of nine – Art, Computer Studies, Commerce, Supplementary English, ELL, Spanish, Graphics and Design, Chinese, Maori, Music, Technology and Visual Language.

In Year 11 students enter NCEA Level 1. Able students are offered a range of extension courses. In Years 11 to 13 many courses are available covering the National Qualifications Framework Unit Standards, and NCEA Levels 2 and 3. Many students undertake study across the levels.

National Certificates of Educational Achievement (NCEA) is New Zealand's national qualifications for senior secondary students. It is also widely regarded as the pathway

for employment and tertiary studies. NCEA exams are recognised throughout the world at many universities and high schools. All International Students at Years 11-13 who are at Sacred Heart College from January/February to December (one full academic year) will be required to sit NCEA exams at the end of the year, and they have the opportunities to continue on their university studies either in New Zealand depending on their NCEA results, or in other countries where they can be accepted by the universities there. For more information on NCEA, please refer to <http://www.nzqa.govt.nz/studying-in-new-zealand/>

Sacred Heart College Career & Transition Department provides additional support for International Students when applying for future study at universities within New Zealand and abroad. Year 12 and 13 students can also apply for a variation to their student visa for work up to 20 hours per week during school holidays if permitted by their parents and the Director of International Students.

Study and Living Costs

The Board of Trustees of Sacred Heart College sets annual tuition fees for International Students. Please refer to the current International Student Fees on the College's website <https://sacredheart.school.nz/international-student-fees/> for detailed fees information. The costs of attending Sacred Heart College as an International Student generally covers the course fee, living costs of staying either a homestay family or Sacred Heart College Hostel, as well as other school related costs on uniform, stationery and subjects, exams, medical and travel insurance.

Immigration New Zealand requires that an International Student needs approximately NZ\$15,000 per year for accommodation and general living costs. International Students should also budget other costs such as public transportation, personal items, and leisure activities. For more information on the expenses living in Auckland as an International Student, check Immigration Zealand website <https://www.immigration.govt.nz/new-zealand-visas/options/study/considering-study-in-new-zealand>, or other New Zealand government website: <https://www.studyinnewzealand.govt.nz/live-work/cost-of-living/>

International Department

Sacred Heart College has had many years of experience hosting International Students from all over the world. The College is a signatory to the Code of Practice for International Students and takes the welfare and education of their students very seriously. The number of International Students is relatively small which enables students to be readily integrated into College life.

The International Department provides comprehensive care for our International Students ranging from curriculum planning, to academic progress and reporting, language support, social and health support, career advice, as well as accommodation arrangements, holiday activities and travel insurance.

At the beginning of each school term, International Students participate in a comprehensive orientation programme designed to familiarise them with the school environment and to help them understand school expectations. International Students are integrated into regular classes, across Years 7 - 13 and where appropriate receive extra support in particular subjects.

The Dean of International Students and English Language Learners' Department assesses students' English ability on their arrival and provides English teaching in small groups, enabling them to give the students plenty of individual attention. The College is in frequent contact with universities, polytechnics, and Immigration New Zealand to ensure our students are studying in a safe yet relaxing environment where each student can make most of his personal and academic progress.

ELL (English Language Learner) Department and English Classes

Sacred Heart College has three fully qualified English Language Learner teachers working in the ELL Department who teach small groups, according to their English language learning needs. Part time English Teacher Aides also provide extra work alongside with the International Students in their mainstream classes.

The purpose of the ELL Department is to provide support for students for whom English is a second language. This is achieved through the two main curriculum areas of English and Religious Education, as well as by offering in-class mainstream support across a range of other curriculum areas.

New Zealand Guardian (local support person)

International Students who are boarding at Sacred Heart College Hostel, regardless of their age at the time of enrolment, must have a contact person in New Zealand acting as a guardian (not legal term). This is the person who is resident in Auckland and provides support for the student while at the College. For International Students who live in homestay families, it is optional, but the College strongly suggests that a guardian in New Zealand is available to support the student. Professional guardianship is available at a cost.

The Special Character of Sacred Heart College

Sacred Heart College is a Catholic school in the Marist and Champagnat tradition. Its spiritual or religious life is central to everything that happens at the College. International students, as with all students in the College whether they are of the Catholic faith or not, participate fully in all religious observances through maintaining a quiet, dignified and respectful manner.

A Marist and Champagnat school is one that draws much of its character from the spirit and traditions of St Marcellin Champagnat, the founder of the Marist Brothers. The Marist Brothers founded the College in 1903, today, the staff continue the work they began.

PART TWO - APPLICATION AND ENROLMENT INFORMATION

1. Enrolment Procedure/Process

Application for a place at Sacred Heart College takes the following steps:

- Student interview in person or via a video conference. A pre-entry English test may also be required

Please note: The renewal of an Offer of Place for each subsequent year of enrolment is not automatic and not guaranteed by the College. The renewal of an Offer of Place is based on the academic progression, attendance, and behaviour of the student both in and out of school among other factors, as determined by the College

If a student gains permanent residency or their parent gains a work permit and they wish to continue their enrolment at Sacred Heart College they will have to re-apply as a domestic student and their selection will be subject to the Preference of Enrolment criteria outlined in the Enrolment Scheme as published on the College website. Previous attendance as an International Student is not included as a criteria to allocate preference, therefore no assurances can be provided that their application will be accepted.

2. Entry Requirements

Selection will be made by the Director of International Students. Students will be recruited from as wide range of countries as possible so that many cultures are represented at the College.

- Sacred Heart College is a Catholic school; preference is given to students from Catholic families. However, places are available to students of other religious traditions.
- Sacred Heart College accepts International Students at Years 9-13. Students are accepted at Year 7 and 8 only if a parent or designated caregiver lives with them full time in New Zealand and subject to place availability.
- The College seeks to recruit students who have certain English language proficiency, sound academic background, and proven work ethic and attitude. International Students attending Sacred Heart College are required to have already reached the required minimum English level as below for their year level before starting a course at the College. Year 9: Elementary; Year 10: Pre-Intermediate; Year 11-12: Intermediate; Year 13: Upper Intermediate. However, exception is also considered case by case.
- The College may require a student to sit the College's Pre-entry English Test upon receipt of his application or undertake a New Zealand High School Preparation Course for a period if it is ascertained the student cannot cope at the College at an appropriate English level. The College can provide information regarding recommended high school preparation courses.
- The College may also require an interview with a student to decide on whether entry criteria are met. Interview is conducted by way of meeting in person, telephone, or Skype/WeChat/Line etc.
- The College may require testimonials to be provided to demonstrate that the student has a genuine desire to learn, and a good record of attendance at his previous school.
- The College reserves the right to place the student in appropriate courses based on the student's age, academic record and English competency.

3. Enrolment Conditions and Termination of Enrolment

Upon enrolment at the College, the student will abide by the same policies for behaviour and absence as applied to domestic students. Enrolment as an International Student shall be terminated:

- At the end of the school year in which the student turns 19 years of age, in accordance with New Zealand law.
- At any time by agreement between the College and student if above 18 years old, or his parents if under 18.
- By Sacred Heart College if the student fails to pay fees in advance or fails to abide by the terms and conditions outlined in the International Student Application Form and Enrolment Agreement.
- By Sacred Heart College if the student fails to provide accurate and genuine information required in his application for enrolment or mislead the College in any ways on its decision of enrolment.
- By Sacred Heart College if the student fails or continues to fail to deliver satisfactory academic progress required by the College and by Immigration New Zealand in his visa application for enrolment.
- By Sacred Heart College if the student undertakes serious misconduct alleged to have occurred inside the school and or has continuous disobedience at a time when the school is responsible for the student which result school's disciplinary measures against students including stand down, suspension, exclusion and expulsion.
- By Sacred Heart College if the student undertakes serious misconduct alleged to have occurred outside the school that is a harmful or dangerous example to other students at the school.
- By Sacred Heart College if the student may be unable to continue attending the College in the event that his boarding/homestay contract was terminated because of serious misconduct/behaviour outside school, and neither the College nor the student parent/guardian/caregiver can find alternative accommodation for the student.
- By Sacred Heart College if the student breaches New Zealand law outside school.
- If the student ceases to hold, or ceases to be eligible to hold, a valid student visa issued by the New Zealand Immigration service. Full details of visa and permit requirements, advice on rights to employment in New Zealand while studying and reporting requirements are available through the New Zealand immigration service and can be viewed on their website at www.immigration.govt.nz.

4. Student Hand-Over at the End of Enrolment

- Under the Education Code of Practice, Sacred Heart College is required to have written confirmation from a parent or legal guardian regarding the arrangements for the end of enrolment.
- End of Enrolment refers to the end date under the course details shown in the Offer of Placement letter from the College. It also applies when the student voluntarily withdraws from the College, or his enrolment is terminated by the College due to serious misconducts.
- When a student graduates from the College, or permanently leaves the College before or after the end date, the College will email/send a Student Handover Confirmation Agreement and requires the parents or legal guardian to sign and return the agreement to confirm that the College's responsibility for the international student no longer lies at the end of their enrolment.
- When a student is returning to the College in the following year to continue his education, parents or legal guardians of the student will not be emailed/sent a Student Handover Confirmation agreement. However, during the term holiday periods and the time students are overseas with their parents or travelling independently, the College does not hold any responsibility for the International Student.

5. Health and Travel Insurance Requirements

Special Learning Requirements:

- A learner has special educational needs if they have a learning difficulty or disability which requires special educational provision. In order to support learners and meet their needs, parents must have some understanding of the difficulties they face. The most common special learning difficulties are: Dyslexia, Dyspraxia, Verbal Dyspraxia, Dyscalculia, Autism, Oppositional Behaviour Disorders, Slow Processing, General Learning, Specific Learning Difficulty, Hearing, Vision, Intellectual Disability, Physical Disability, Previous RTLB involvement, Emotional Difficulties, Down Syndrome, and Extreme skin conditions.
- Parents of International Students with special learning needs are expected to take the responsibility of any costs incurred during the student's enrolment at the College.
- Parents of perspective International Students must disclose to the College if their child has any of the special learning difficulties. Failure to disclose these conditions is likely to invalidate the enrolment contract and may result in the withdrawal or termination of an offer of enrolment.

Eligibility for Health Services:

- International Students are not entitled to publicly funded health services while in New Zealand and may be liable for the full costs if receiving medical treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

The Accident Compensation Corporation (ACC):

- ACC provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand. International Students may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Medical and Travel Insurance:

- International students must have appropriate and current medical and travel insurance while studying in New Zealand. This is a requirement under the Education (Pastoral Care of International Students) Code of Practice 2016. Insurance can be arranged through the College with the Studentsafe Medical & Travel Insurance. Please refer to the current fees schedule for the annual premium costs. If students wish to purchase their insurance elsewhere, the College must be provided with a copy of the insurance certificate and policy wordings to determine whether the insurance provides sufficient cover for the student's medical, travel and potential repatriation needs.
- It should be noted that costs such as medical treatment in New Zealand and medical evacuation or repatriation can be very expensive. Sums insured for these benefits must be set at an appropriately high figure. Ideally, this amount should be unlimited, although the College will allow amounts that it deems to be sufficiently high. Please refer to the Policy Wording/Schedule of Benefits on Page 5 of Studentsafe Medical & Travel Insurance Product Statement https://www.insurancesafenewzealand.com/files/PDF/HAPSFILPW.4_1120.pdf which Sacred Heart College deems to be sufficient at current circumstances.
- Emergency Evacuation/Repatriation: Repatriation represents the costs of getting the student home. The benefit works two ways: 1. If the student becomes seriously ill or injured and needs to be accompanied home (either alive or deceased) with medical professionals, these costs are met by the insurance. 2. If members of the student's immediate* family living

overseas become critically ill or die, the policy will fly the student home, and then back to New Zealand to complete their studies. (*immediate family is the mother, father, brother or sister). Ideally, the policy should have "unlimited cover" as very large sums can be incurred in these situations. Insurance policies for International students should be obtained from companies with a credit rating no lower than A from Standard and Poors, or B+ from AM Best. If the insurer is an overseas company, the College requires students to provide policy details in English so that it may ensure that all the necessary requirements are met.

- If, prior to enrolment, it is decided by the College that a student does not have adequate insurance, the students will be required to take out additional cover to meet the standards set by the College.

6. Orientation

- The College will provide a comprehensive and age-appropriate orientation programme to help students adjust to College life. The programme includes familiarisation with campus and facilities, introduction to school system and resource, along with subject choices, uniform purchase/hire, English language and Math diagnostic assessments. The programme covers all relevant College policies, health and safety matters, available support services and facilities, names and contact details of International Students support staff, grievance procedures, and termination of enrolment etc.
- Students are required to attend the Orientation programme on the date advised. Attendance at the orientation programme is compulsory.
- If a student is living with accompanying parents and legal guardians who are new to the College and New Zealand, the College will work alongside with the student agent, in their native language where applicable, to provide an orientation programme with information about living in New Zealand, local area, and school expectations such as attendance, school performance, accommodation requirements, school system and New Zealand laws.

PART THREE - SCHOOL POLICIES ON SPECIAL CHARACTER, GUIDELINES, AND REGULATIONS

1. Special Character

- Sacred Heart College is a Catholic school of the Marist and Champagnat tradition. Its spiritual or religious life is central to everything that happens at the College. International students, as all students in the College whether they are of the Catholic faith or not, participate fully in all religious observances through maintaining a quiet, dignified and respectful manner.
- A Marist and Champagnat school is one that draws much of its character from the spirit and traditions of St Marcellin Champagnat, the founder of the Marist Brothers. The Marist Brothers founded the College in 1903, and today the staff continues the work they began.
- The Marist Brothers' tradition is one of encouraging a simple, patient, hardworking and nurturing attitude with students, and aims to create a warm family spirit, which is the extension of each student's own family within a Catholic, Christian environment.
- All students at Sacred Heart College study Religious Education. For those International Students who are Catholic, it is an opportunity to explore and deepen their faith. For students who are not Catholic, it is an opportunity to discover something about the Special Character of the College, and the nature of the religious observances that take place throughout the school and church year and become more familiar with the Catholic world view.
- For those students who have English as a second language, the subject of Religious Education is taught by English Language Learners Department, so it is also an opportunity to improve English language proficiency within the context of a curriculum subject.

2. School Uniform

Every student is required to be correctly dressed in the uniform appropriate to his level. All students at the College are expected to wear the uniform as outlined in the student handbook which will be given to every student at the start of course. The College uniform is available ONLY at the Sacred Heart College Uniform Shop. The College requires that school shoes must be lace-up, black leather, clean and polished at all times. School sandals to be worn in Terms 1 and 4 can be purchased at the College uniform shop.

The following are unacceptable in terms of the school uniform.

- Anything other than the uniform listed in student handbook.
- Ripped or damaged uniform.
- Unnamed items of uniform being worn to school.
- The wearing of anything but sports uniform when playing contact sport on the fields.
- Jewelry of any kind except a wristwatch;
- Graffiti or offensive coverings of any item of uniform or equipment, including folders, books, diaries and bags
- Non-lace up shoes.

3. Student Appearance

- Hair must be clean, tidy, above the collar and not over the eyes. Students are not permitted to shave their head. Haircuts number 2 and above are permitted only.
- Hair colouring, dyes or extreme hair styles (eg No.1, plaits, braids, spikes or side shavings) are not permitted.
- Students at all levels must be clean shaven and sideburns should not be below the ear.
- Tattoos are not permitted.
- Body piercing is not permitted
- Students are expected to have clean skin and to protect themselves against body and foot odor.

4. Student Behaviour Policy

All students apply to attend Sacred Heart College. This application carries with it the undertaking to observe the rules of the College community and to behave according to the high standards it expects.

- The basic rule of this Christian community is that all its members, staff, students and others, have the right to enjoy being and working at the College. It is the responsibility of everyone to ensure this occurs.
- Respect for others is most important and manners are a vital part of this. This applies to all interactions with other students, with teaching and non-teaching staff and with the Brothers who live in the College. It is always expected that students thank others.
- Students must not bring Sacred Heart College into disrepute by their actions or behaviour, particularly whilst in school uniform. This includes travelling to and from school, and outside normal school hours.
- When representing the College students must be even more conscious of their behaviour. On the bus and train this means travelling quietly and sensibly. At all times you should stand for an adult. You should allow members of the public to get on or off before you and you should show respect to the driver by thanking him or her. At sports events your comments should not be offensive.

- Remember you are responsible for what others will inherit when they attend SHC – respect the property. This includes putting rubbish in the bin. No marking desks, walls or tables.
- At the conclusion of every class you must ensure your desk is straight, your chair in, and any rubbish off the floor. At the end of the day, you are required to put your chairs on the desk and ensure the windows are closed.
- Because of the damage they can cause, chewing gum, lighters, matches and permanent markers are not permitted at school.
- Spitting is a dirty and unhealthy practice which is forbidden.
- Smoking is forbidden on the way to and from school, during school or at any school event, or when on SHC uniform.
- You are not permitted to be out of school boundaries at any time. Out of bounds areas are marked on the school map. Unless you have permission from the Director of Pastoral Care you must not leave the school grounds.
- Mobile phones are permitted at school but must be switched off during the whole school day (8.40am to 3.15pm) and be out of sight. If mobile phones are confiscated, they will need to be collected from the school office by a guardian if applicable.

Detentions

There are two formal detentions, lunchtime detentions (Monday–Friday) and a “Friday” detention. This Friday detention officially lasts from 3.15 to 5.15 on each Friday, unless there is a holiday or half day on the Friday. In this case it is held on Thursday. This detention is given for serious reasons and as such cannot be moved to another Friday, except in exceptional circumstances through arrangement with the Director of Pastoral Care. Students are notified at the latest, one day prior to the detention being undertaken.

Serious Misconduct

The disciplinary procedures outlined in the Education Act 1989 shall be applicable for all serious misconduct alleged to have occurred both inside and outside the school. The parent, guardian or designated caregiver shall act as the parent in the disciplinary process. Should it be deemed appropriate the College and the Hostel reserves the right to terminate the contract and repatriate the student with forfeiture of fees.

Stand-downs, suspensions, exclusions and expulsions from the College

Sacred Heart College will comply with and follow the provisions and the Ministry of Education’s guidance for school’s on stand-downs, suspensions and termination of enrolment <http://www.education.govt.nz/school/managing-and-supporting-students/student-behaviour-help-and-guidance/stand-downs-suspensions-exclusions-and-expulsions-guidelines/>.

5. The General Discipline Action and Procedures

- Discipline is the responsibility of all staff. There is a requirement that staff enforce all rules and policies. The manner in which incidents are dealt with is normally a combination of professional judgment, departmental or school policy. In saying this all discipline action at Sacred Heart College must be in light of the Special Character. The purpose at all times should be to ensure the Basic School Rule is being adhered to i.e. if your working environment, the learning environment of the student misbehaving or that of others in the class is being detrimentally affected you have a professional and moral obligation to intervene.
- All discipline action should help to produce a safe, pleasant learning and working environment. It should never humiliate, belittle or degrade.
- At any time, assistance is required regarding a student’s behaviour or well-being, the Director of Pastoral Care should be called upon. If advice or assistance is needed regarding Professional Development, the Deputy Principal will be able to assist.

The following procedures are available to students:

DETENTIONS

There is one formal detention, - a “Friday” detention.

Years 7 & 8

Detentions are on Friday from 3.15 to 3.45pm. Parents/guardians/residential care-givers are notified in writing, and are required to sign the detention notice and return it to the Year 7 or Year 8 Head of Year or the Director of Year 7 & 8. If the offence occurs when the boys are attending a class conducted by a “Year 9-13” teacher, the Head of Year or the Director of Year 7 & 8 will issue a Year 7 & 8 Friday detention.

Years 9 – 13 Friday Detention

Time: the detention officially lasts from 3.15 to 5.00pm each Friday, unless there is a holiday or half day on the Friday. In this case, it is held on Thursday. As a detention is given only for serious reasons, it is expected that once given, it will be carried out and not later changed for an alternative punishment. Alternate days can be arranged between the student and the Director of Pastoral Care in exceptional circumstances. “Friday Detention” can only be issued by Dean of International Students, a Head of Year or the Director of Pastoral Care. Any teacher can issue a lunchtime detention.

Form of the detention: Students will normally be required to pick up litter or be assigned to written work.

Notification: Students are notified, at the latest, one-day before the detention is undertaken. Assuming that the detention is on a Friday, the latest notice would be 3.15pm on the prior Thursday. Detentions given on the last day of the week are carried out the following week. The student

should be told that if he does not bring back the signed slip the next day, he will incur an additional 30 minute penalty, thus finishing at 5.15pm. The signed slips will be collected by Homeroom teachers and returned with the daily roll. Details are recorded in KAMAR database.

Supervisors: Detentions are supervised by the Director of Pastoral Care or a Head of Year.

Behaviour meriting detention: Any failure to observe the "Basic College Rules" would be matter for this detention. In general, the detention is for "non-classroom associated" failing or REPEATED failure in classroom associated behaviours. Teachers should consult the Head of Year if there is question of using the detention for other matters, so that the Head of Year will be kept informed of the problem(s).

Detentions missed: The Director of Pastoral Care will contact parents/guardians/residential care-givers of any International student who misses detention without good reason. If the student again fails to attend, he will be withdrawn from classes until it is done. Teachers are reminded that they are encouraged to hold their own detentions where necessary, within the parameters.

DAILY REPORT

General Aim

1. To support Students
2. To alert parents, at the earliest possible stage re problems of attitude, misbehaviour, lack of progress, lateness, organisation, attendance, appearance.
3. To involve Homeroom & subject teachers fully in the Pastoral care system
4. To provide information for the Pastoral Care Team so as to ensure the best possible help is given.

An international student may be placed on Daily Report to assist students in various aspects of their learning and behaviour. While a student is on Daily Report, they should not collect any adverse comments. The Daily Report will monitor student progress in a number of specified areas. Students on Daily Report will report to their Head of Year during Homeroom time each day. The Daily Report must be signed each evening by a parent, guardian or residential caregiver.

The Guidance Counsellor, Head of Learning Support and the Head of Careers and Transition all have procedures to assist staff and students.

The time specified for which an International student will be on Daily Report is determined by the International Dean or Director of Pastoral Care. If a student does not respond to the criteria being monitored on the Daily Report, parents/guardian/residential care-giver may be contacted for a meeting with the Head of Year and Director of Pastoral Care.

If a student is boarding, the report needs to be signed by the study supervisor from Monday to Thursday and the

Director of Boarding on Friday. When a student is placed on Daily Report it is the responsibility of the student to ensure that it is signed each period by the teacher. No gaps must appear on the Daily Report.

6. Disciplinary Action for International Students, School's Obligations and Procedural Requirements

Sacred Heart College may take appropriate disciplinary action.

1. The principal may take appropriate disciplinary action in response to the conduct or behaviour of the student.
 2. Appropriate disciplinary action includes standing down, suspending or excluding the student and terminating the contract of enrolment.
 3. The principal may take appropriate disciplinary action, whether or not the conduct or behaviour occurred while the student was under the supervision or control of the school, if satisfied on reasonable grounds that:
 - (a) the student's gross misconduct or continual disobedience is a harmful or dangerous example to other students at the school.
 - (b) because of the student's conduct or behaviour, it is likely that the student, or other students at the school, will be seriously harmed if the student is not stood-down or suspended or excluded as the case may require.
 - (c) the student's conduct or behaviour is in breach of the school rules (including the school's code of student conduct), the accommodation agreement or designated caregiver agreement, or this contract of enrolment, and one or more of the following applies:
 - i. the breach or breaches would constitute an ongoing risk to the student's education, health, safety, well-being or personal welfare for which the school is responsible under the Education (Pastoral Care of International Students) Code of Practice 2016.
 - ii. the breach or breaches would constitute an ongoing risk to another person's education, health, safety, well-being or personal welfare.
 4. The provisions in Schedule 1 (relating to stand-down), or Schedule 2 (relating to suspension) will apply if the student has been stood down or suspended, as the case may be. Please refer to Appendix for Schedule 1 and Schedule 2 at the end part of this document.
- School's obligations when taking disciplinary action**
5. The Principal who wants a student to absent himself from school for disciplinary reasons, or who wants a parent to remove a student from school for disciplinary reasons, may bring about the absence or the removal

only by standing-down or suspending the student under this contract.

6. In making decisions on appropriate disciplinary action the Principal and the Board of Trustees will as far as practicable ensure that any such disciplinary action:
 - (a) is proportionate to the seriousness of the behaviour of the student; and
 - (b) minimises the disruption to a student's attendance at school and facilitates the return of the student to school when that is appropriate; and
 - (c) is dealt with in accordance with the principles of natural justice.
7. If the student is stood-down or suspended, the principal will take all reasonable steps to ensure that the student has the guidance and counselling that are reasonable and practicable in all the circumstances of the stand-down or suspension.
8. If a student's suspension is subject to conditions, the principal will take all reasonable steps to ensure that an appropriate educational programme is provided to the student.
9. The programme referred to in clause 6) will as far as practicable be designed to facilitate the student's return to school and to minimise the educational disadvantages that occur from absence from school.

7. Attendance

- International Student is required by Immigration New Zealand to have satisfactory attendance (you must attend at all times as required) to meet its requirement. To re-apply for a student visa, Immigration New Zealand attendance policy states that to be eligible for a student visa a student must have a minimum of 90% attendance in their previous academic year.
- The Education Act does not allow for holidays in school time, shopping or looking after other members of the family. The school attempts to meet any reasonable requests from parents or caregivers for leave, but senior students need to be aware of the restrictions associated with NCEA internal assessment. The full support of parents and caregivers in these matters is an important factor in preventing truancy and in keeping young men out of trouble.
- Absences: If a student is absent from school, the absence must be phoned through to the College as early as possible by parents/homestay caregivers/guardian. A written note for the absence should be given to the homeroom teacher for filing.
- Appointments: Students may make appointments with a doctor or dentist in school time, although it is much less disruptive if appointments can be made after school. The student should bring a letter from the parents/caregiver or boarding master to be countersigned by

the Head of Year or Director of Pastoral Care during Homeroom. The student then signs out/signs in at the School Office as the leave and return.

- Sickness during the school day: The College has fully trained nurses in attendance at the Health Centre between 8.45am and 3.15pm. The nurse can give permission for students to go home sick at any time and will normally contact parents/ caregivers when this occurs. If the nurse is not available students should see their Head of Year or homeroom teacher. Under no circumstances are students allowed to leave the school grounds without seeing a staff member first. If hospital attention is necessary, the Health Centre staff must be notified so that they can inform the parents and keep a check on the student's progress.
- Lateness: If a student arrives late to school, he must sign in at the Head of Year office window until 9.30am or if after 9.30am, at the main office or the Director of Pastoral Care.

- The College requires that relevant information must be disclosed by parents/agents if an international student has special needs or at risk prior to the enrolment of the student; Failure to do so might result the enrolment is terminated by the College.
- A student is regarded as at risk if the College has reasonable grounds to believe that there is a serious issue relating to the student's health, safety, or well-being, including (a) the student is unable to adequately protect himself against significant harm or exploitation; (b) the student is unable to adequately safeguard his personal welfare.
- A student with special needs refers to circumstances where a student who experiences a physical, sensory, cognitive, psychosocial, or behavioural difficulty, or a combination of these, and that difficulty or those difficulties affect his ability to participate, learn, and achieve, or requires the provision of adapted programmes, learning environments, specialised equipment or materials to support him to access the curriculum, participate, learn, and achieve.

Internet use and sites are monitored closely.

PART FOUR: SCHOOL'S CURRICULUM, CO-CURRICULAR ACTIVITIES, AND NCEA

1. Academic Curriculum and Pathways

Junior School

- While Years 7 and 8 are located in separate buildings and structured around a homeroom-based learning environment, they are fully integrated into the College in Curriculum matters, where they are offered subject choice with specialist teachers in the performing and visual arts, technology, language and applied science.
- At Years 9 and 10 the curriculum continues to build upon the foundations laid at Years 7 and 8 with a greater reliance on individually based learning, with separate teachers in the core as well as specialist subjects. All students have the opportunity to study an international language such as Spanish or Chinese if they wish.
- In Year 10 all students follow a common course of core subjects, as well as choosing three options from a range of nine - Art, Computer Studies, Commerce, Supplementary English, ESOL, Spanish, Graphics and Design, Chinese, Maori, Music, Technology and Visual Language.
- At each of Years 9 and 10 there are two accelerate classes.

Senior School

- In Year 11 students enter NCEA Level 1. Able students are offered a range of extension courses.
- In Years 11 to 13 many courses are available covering the National Qualifications Framework Unit Standards, and NCEA Levels 2 and 3. Many students undertake study across the levels.
- Underpinning the curriculum at all levels are the courses offered in Religious Education, which is a compulsory core subject at Sacred Heart College. The College also offers Achievement Standards in Religious Education under NCEA.
- Further opportunities for the faith development of students include sacramental participation, liturgical worship, prayer and, for senior students, retreats. The College, assisted in this area by its Chaplain, fosters and promotes the rich inheritance of Catholic values.

2. Entry to University and Other Tertiary Institutions

- Each University/Tertiary Institution will have its own set of entry criteria. Students are expected to check these entry criteria. Information is available from the Sacred Heart College Careers Office and from Tertiary Institutes themselves.
- Common University Entry Standard: A student shall be qualified for entrance to a University in New Zealand if he/she has obtained all of the following criteria:
 1. NCEA Level Three.
 2. A minimum of 42 credits at Level 3 or higher on the National Qualifications Framework, including a minimum of 14 credits at Level 3 or higher in each of three subjects from an approved subject list.
 3. A minimum of 10 Numeracy credits at Level 1 or higher (offered from a range of Level One subjects on the National Qualifications Framework).
 4. A minimum of 10 Literacy credits at Level 2 or higher (offered from a range of Level Two and Three subjects on the National Qualifications Framework), of which 5 credits must be in Reading and 5 credits must be in Writing. The literacy credits will be selected from a schedule of approved Achievement Standards and Unit Standards.
 5. Most Universities will require a higher standard of entry into selected programmes than those listed in the Common Standard and will also require students to have undertaken Level 3 Courses in specified subjects. These are referred to commonly as limited entry courses. Students and parents should consult University admissions information for specifics.

3. English Language Learner Department

The College offers International Students extra support through the English Language Learner Department for students who require extra English language support. At Year 9 and 10, International Students attend their mainstream English classes and come to ELL Department during their Social Studies and Religious Education lessons. The ELL teachers teach them the necessary content to ensure they are able to rejoin the mainstream classes at any time but focus on teaching the language needed to be successful scholars in New Zealand and also to become confident in communicating with teachers and students in their classes. Year 11-13 follow the same programme as local students in the Communication English course-Thematic Studies. This is an excellent way for the students to gain confidence in their linguistic skills and to make a link with the New Zealand curriculum. At the same time, they gain vital literacy credits for their tertiary futures.

4. Subjects and Subject Selection

Student Courses at Sacred Heart College are organised so that:

- Students can work at different levels in different subjects.
- Year 11, 12 and 13 students study a compulsory core of subjects at each level together with a number of optional subjects.
- Students can choose these subjects from any level, provided that they meet the school's recommended entry criteria for study in that subject at that level. It must be noted that progression through the levels in any subject is not automatic. Exceptions for special circumstances can be granted only by the Director of Curriculum, who will decide only after consultation with the student's parents and relevant school staff. Parents who insist that their son follow a course of study against the recommendation of the school will be asked to certify that they do this knowingly.
- Standards for the NCEA can be accumulated over several years.

For details regarding course requirements please refer to the current Senior Course Book that can be accessed from the school website (<http://www.sacredheart.school.nz/shc/curriculum-info/>) or a copy can be obtained from the Director of Curriculum or the Director of International Students.

International Students will wish to participate in school trips related to the curriculum, special character of the school, and community integration as they arise. New Zealand's Health and Safety at Work Act requires the College to complete a comprehensive process of informed consent for each participating student. Due to the complexity of the consent process and limited timeframe available, the International Department of the College undertakes to approve the trips on behalf of overseas parents. This will involve liaising with the department arranging the trip and coordinating with homestay families or the Sacred Heart College Hostel to complete the consent procedures and documents. Parents of Sacred Heart College International Students agree to give the College authority to consent on their behalf by signing the Parents and Student's Declaration and Authorisation on Page 5 of International Student Application Form and Enrolment Agreement https://sacredheart.school.nz/wp-content/uploads/2019/05/SHC_AppFormEnrolAgrmt_Intl_0419_Web.pdf

- The College Hostel is closed over Public Holidays and long weekends, as well as the school holidays. Alternative accommodation will need to be found for these periods. Students will either go home to their parents, stay with their designated caregiver or guardian, or in a homestay arranged by the College.
- These holiday accommodation arrangements for boarding students must be approved by the Director of Boarding and the Director of International Students at least two weeks prior to the holiday.

International students who are living with a designated caregiver or a homestay are not required to have a guardian but is strongly suggested to have one to act on the parents' behalf if the need arises. The guardian can be appointed either by the parents or the College if required. The parents and the guardian must sign a guardianship care agreement as provided by the College that outlines the care responsibilities of the guardian.

Sacred Heart College expects Guardians to:

4. Sacred Heart College Hostel

Boarding is an integral part of life at Sacred Heart College. The Boarding hostel located on site at the College caters for 170 students from Years 9 to 13. Some return home each weekend, while others board full-time. Up to 20 International students at the College can be accommodated in the College Hostel. If a student wishes to obtain a place in the Hostel, a separate application must be made, as the Hostel is operated as a separate facility to the College. Applications need to be made well in advance if a place is required for the following year. A place cannot be guaranteed at any time as availability of beds is dependent on whether any students currently in the Hostel decide to leave. The Hostel is usually fully occupied throughout the year. If a student wishes to gain a place in the Hostel and there are no positions available, a homestay can be found initially until a place becomes available. All students wishing to gain a place in the Hostel must have an interview. It is most important that International students coming into the hostel have a reasonable grasp of English so that verbal instructions can be easily understood, and that a student can clearly articulate his needs. A student must also show that he has a good work ethic and is prepared to become fully involved in all aspects of Hostel life. The Hostel is not just a place to sleep and eat, it is a family and a community in which all students need to participate and contribute.

Facilities

Years 9 and 10 students share partitioned dormitories and have supervised study. Year 11 students have a study desk in their cubicle while Years 12 and 13 have individual rooms. All students have access to common rooms with television. The Chapel, sports fields, aquatic centre and gymnasium are also available.

Study

Years 9 and 10 boarders are required to study for a minimum of one and a half hours every night during the week, and Years 11 – 13 for a minimum of two and a half hours. Study is supervised by teachers and university students who can help students with any difficulties. Boarders have access to the library and computer rooms.

Sport

Boarders have access to the full range of sports offered at the College and enjoy the advantage of not having to travel home on completion of sports practices after school.

Spirituality

Boarders gather for prayer in the morning and in the evening in the common room or the Chapel. Mass is celebrated each weekend on Saturday evening or Sunday morning.

Friendship

The bonds of friendship formed during boarding days often last throughout life. Teenage boys enjoy the company of a larger group of their own age, and also get to develop future relationships with others, younger and older than them.

Fees

The Sacred Heart College Hostel Board sets the fees for boarding. The boarding fees are separate from International tuition fees. The boarding fee is reviewed by the Hostel Board in August each year and is subject to change at that time. For International Students, the full year's fees in advance are required. Please refer to the current International Student fee schedule for Hostel related fees.
