

Teacher Training Opportunity 2023 at SHC

Are you a recent graduate or thinking of a career change? You may be interested in training as a teacher on site with us in 2023, completing coursework remotely with the University of Waikato, and being ready to work with us as a qualified teacher in 2024.

By training on-site, you will be mentored by experts in your curriculum subject area as you train. This very successful programme is now in its third year. Your fees are paid, and you will also receive a \$10,000 stipend*.

For more information follow this link
<https://www.schoolbasedtraining.org/>

We welcome applications from prospective teachers in all subject areas, with Te Reo specialists particularly sought.

Please submit your application via the website above, including a cover letter and cv.

For further information, please email [Mrs Susan Hurring](mailto:Mrs.Susan.Hurring)
