

Sacred Heart College

AUCKLAND

Current Vacancy

Permanent, full-time Agriculture Science teacher

Join our Science department where you will be valued for your expertise and passion. As an engaging and motivated teacher, you will thrive on working within well-resourced laboratories enhanced with digital technology in a BYOD environment. With a cohesive team of 10 Science teachers and a fulltime and parttime technician, you will enthuse and extend learners from Year 7- 13 and teach a subject extremely popular amongst our boys.

New design concept Science facility is scheduled for completion December 2024. The ability to teach Agriculture to Senior levels is required.

The successful applicant will be required to support the Special Character of the college, be committed to excellence, and participate in the school's co-curricular programme. Position commences Term 3, 2023. This position offers a RRR allowance.

The terms and conditions, including base salary, for this position will be in accordance with the Secondary Teachers' Collective Agreement (CA) <https://www.education.govt.nz/school/people-and-employment/employment-agreements/collective-agreements/> The base salary for trained and registered teachers will range from \$51,358 - \$90,000.00 depending on applicant's qualifications and experience. Individuals' actual base salary will be established by a salary assessment once a role is confirmed.

If this opportunity sounds like you please email a letter of application & CV to: Melanie Inglis, Manager of Recruitment/HR on recruitment@sacredheart.school.nz. In the subject line please specify the position you are applying for.

Applications Close: 2nd June 2023
