

Sacred Heart College
AUCKLAND

Current Vacancy

Permanent Full-time Science/Physics Teacher - Units can be offered for negotiated responsibilities.

Commence 2024 in a well-resourced Science department where you will be valued for your expertise and passion. As an engaging and motivated Physicist, you will thrive on working within well - resourced laboratories & two dedicated Physics labs. With a cohesive team of 10 Science teachers and a fulltime and parttime technician, as a Physics specialist you will drive our Scholarship program and teach a subject extremely popular amongst our boys.

New design concept Science facility is scheduled for completion December 2024.

The successful applicant will be required to support the Special Character of the college, be committed to excellence, and participate in the school's co-curricular programme. Position commences Term 1, 2024.

Onsite accommodation could be offered for a single person.

The terms and conditions, including base salary, for this position will be in accordance with the Secondary Teachers' Collective Agreement (CA) <https://www.education.govt.nz/school/people-and-employment/employment-agreements/collective-agreements/secondary-teachers-collective-agreement/> The base salary for trained and registered teachers will range from \$56,757 - \$95,400 depending on applicant's qualifications and experience. Individuals' actual base salary will be established by a salary assessment once a role is confirmed.

Applications close on: 4th October 2023

Please email a letter of application and a copy of your CV to: Melanie Inglis, Manager of Recruitment/HR on recruitment@sacredheart.school.nz. In the subject line please specify the position you are applying for.
