Permanent, full-time Science teacher - please state speciality

Units can be offered for negotiated responsibilities

Commence 2024 in a well-resourced Science department where you will be valued for your expertise and passion. As an engaging and motivated teacher, you will thrive on working within well-resourced laboratories. With a cohesive team of 10 Science teachers and a fulltime and parttime technician, you will enthuse and extend learners from Year 7- 13 and teach a subject extremely popular amongst our boys.

New design concept Science facility is scheduled for completion December 2024.

The successful applicant will be required to support the Special Character of the college, be committed to excellence, and participate in the school's co-curricular programme. Position commences Term 1, 2024.

Units can be offered for negotiated responsibilities. Onsite accommodation potentially available for a single person.

If this opportunity sounds like you please email a letter of application & CV to: Melanie Inglis, Manager of Recruitment/HR on recruitment@sacredheart.school.nz. In the subject line please specify the position you are applying for.
