Casual Nurses

If you are a Registered Nurse and are interested in being part of our casual nursing staff group for our dedicated student Health Centre, we welcome your expression of interest.

Due to the increase in the school roll at Sacred Heart College and the increasing daily presentations of students to the Health Centre, additional nursing hours have been allocated, to support the service.

The casual nursing staff currently assist in covering planned or short notice leave. Going forward, there will be a dedicated 4 hour shift available to support the primary nurse rostered on duty, that may require some cover from the casual staff group.

We are looking for Registered Nurses who are passionate about working with young people and supporting student wellbeing.

The role requires potential candidates to have lots of energy, patience, great organisational, assessment and problem-solving skills.

If you hold a current New Zealand Annual Practicing Certificate and this sounds like something you would like to find out more about, please contact Mrs Mel Inglis recruitment@sacredheart.school.nz to express your interest.
