

Experienced Rowing Coaches - Sacred Heart College Rowing Club (Auckland)

Sacred Heart College is currently seeking to employ experienced Rowing Coaches for the coming 2024/2025 season.

These roles will report to the Director of Rowing, and work alongside the current coaching team and the SHC Rowing Committee.

SHC has a strong sporting history and ethos, across many sports, in the Marist tradition. The College is backing and supporting the growth and expansion of the current rowing programme. The school is well resourced, with both excellent training facilities (on and off water) and good plant maintenance and replacement programmes. We are looking at building on the success and require the experience of coaches to transition our boys through the club.

Key attributes:

- Have proven experience coaching rowing at school or representative level
- Have the ability to motivate and bring the best out of our students
- Demonstrate high standards in commitment
- Passionate about rowing

Please register your interest in the position of Rowing coaches, by sending a current CV and covering letter to Melanie Inglis, Manager of Recruitment/HR on recruitment@sacredheart.school.nz.
